Portfolio:https://steady-dodol-c548a3.netlify.app | GitHub: /https://github.com/Dinh282

As a recent graduate of a Full Stack Web Development Bootcamp, I am eager to embark on a full-time or part-time role where I can apply and expand upon my newfound skills. My goal is to solidify my foundation as a web developer and continually refine my abilities. I am enthusiastic about contributing to web development projects and honing my expertise in this dynamic field.

TECHNICAL SKILLS

JavaScript, ES6, CSS3, HTML5, SQL, NoSQL, GitHub, MongoDB, MySQL, Express, React, NodeJS, Handlebars, jQuery, Bootstrap, Tailwind

PROJECTS

Sports Companion | https://github.com/Dinh282/sports-companion.git | https://dinh282.github.io/sports-companion/
- Summary: A compact application for referencing NBA team rosters and displaying information on the coach and players.
- Role: Collaboration With 3 Other Authors: Backend and Frontend
- Tools: HTML, CSS, JavaScript, JQuery, Tailwind, and Third-party API

Dear Diary| https://github.com/Dinh282/personal-journal.git | https://dinh282.github.io/sports-companion/
- Summary: Journal/diary app that allows users to record what is on their minds.
- Role: Collaboration With 3 Other Authors: Backend and Frontend
- Tools: HTML, CSS, JavaScript, Bootstrap, Swiper, Sequelize, Bcrypt, Node.js, MySQL

Chore Buddy | https://github.com/Dinh282/chore-buddy.git | https://chore-buddy-6e6d2559dc60.herokuapp.com/
- Summary: Web application that allows parents to create chores, set the allowance of each chore, and assign them to their children. Parents can also create individual accounts for their children. With their own accounts, the children can keep track of their balances and list of chores.
- Role: Front-end designer
- Tools: JavaScript, Express, JWT, MySQL, MongoDB/Mongoose, GraphQL, Ant Design, Framer Motion, and React

EXPERIENCE

Smaller Business Owner   2016 - Present
QT Nails-N-Spa   Fayetteville, NC

As the owner and manager, I have successfully operated and overseen all aspects of a thriving nail salon. My role involves multitasking between management responsibilities and hands-on technical expertise in nail care services, including performing acrylic nails, manicures, and pedicures.

- Management and Leadership: Led a team of skilled technicians, fostering a positive and collaborative work environment.
- Financial Management: Managed all financial aspects of the business, including budgeting, payroll, and invoicing.
- Customer Relations: Built and nurtured strong client relationships by providing exceptional nail care services and ensuring a welcoming salon environment.
- Administrative Tasks: Handled administrative duties, such as scheduling appointments, managing bookings, and responding to inquiries through various communication channels.

EDUCATION

Certificate, Full Stack Web Development - UNC Bootcamp   Fayetteville, NC

Bachelor of Science, Biology– UNC-CH   Chapel Hill, NC
